Unit 3 Test 2

Dying to Be Attractive

記分板

🏆 綜合測驗：25%

Without a doubt, most people would admit that physical appearance matters a lot to them. That is, a great number of people regard being attractive 1 being quite important. In fact, some people will try every possible way to make themselves look attractive. For instance, in order to lose weight, some people are willing to have stomach surgery 2 is risky and may lead to some fatal side effects. However, as long as they can achieve their goal of becoming skinny, these potential dangers seem to mean nothing 3 to them. Besides weight, some people are not satisfied with their height. These people may choose to have painful and dangerous surgery 4 to lengthen their legs. It is the desire to become attractive 5 makes people willing to go to extremes. And some are even willing to do so at the cost of their health!
