## Unit 5 Test 2

### The Stolen Generations: An Australian Tragedy

記分板

#### 📊 綜合測驗：25%

In the early 1900s, the Australian government decided to implement a racial policy. The purpose was to keep Australia a pure white nation. As a result, thousands of indigenous children were removed 1 their homes between 1909 and 1969. It was due to this policy 2 Sheila Humphries was forced to be separated from her family. She was born into a poor indigenous family in Australia. At the age of 4, she was taken to a children's home because her parents were 3 poor 3 raise a large family. Instead of living a good life there, she was made 4 a lot of housework. Therefore, her parents took her home. However, she was soon taken away and sent to the children's home again, where she 5 the rest of her childhood. Now, she is a successful artist and has eight children. She hopes that her tragedy won't happen to anyone again.
